END-USER LICENSE AGREEMENT ("EULA")

IMPORTANT - READ CAREFULLY

THIS EULA IS A LEGAL AGREEMENT BETWEEN YOU ("YOU" OR "LICENSEE") AND U.S. INFOTEL CORPORATION (ALSO REFERRED TO AS USIC) (AN OKLAHOMA CORPORATION WITH ITS PRINCIPAL PLACE OF BUSINESS IN OKLAHOMA), ON ITS OWN BEHALF AND ON BEHALF OF ITS SUBSIDIARIES, DIVISIONS AND AFFILIATES (COLLECTIVELY REFERRED TO AS "USIC, U.S. INFOTEL CORP. or CYNERGY SOFTWARE"), FOR THE SOFTWARE PRODUCT IDENTIFIED ABOVE WHICH INCLUDES COMPUTER SOFTWARE ELECTRONICALLY DOWNLOADED AND ASSOCIATED MEDIA AND DOCUMENTATION AND ALL PROPRIETARY PRELOADED CONTENT (COLLECTIVELY "LICENSED SOFTWARE"). BY OPENING THE SOFTWARE PACKAGING, COMPLETING THE SERIALIZATION PROCESS, OR DOWNLOADING, INSTALLING, ACCESSING OR UTILIZING THE LICENSED SOFTWARE OR CLICKING THE "I ACCEPT" BUTTON, YOU AGREE TO BE BOUND BY THE TERMS OF THIS EULA

1. Protection/Ownership. The Licensed Software may include software and/or proprietary preloaded content owned by third parties (collectively "Third-Party Owners"). The Third-Party Owners are third-party beneficiaries of this EULA and You agree that all terms of this EULA that benefit and are protective of U.S. INFOTEL CORPORATION (including, without limitation, limitations on warranties, representations and liability) shall equally benefit and protect all Third Party Owners and each of their respective parents, subsidiaries, division and affiliates with respect to the Third Party Owners' software and/or proprietary preloaded content and You agree to be bound to them under all the terms and conditions of this EULA, unless and to the extent that a separate license agreement for such software governs. The Licensed Software is protected by copyright and other intellectual property laws. U.S. INFOTEL CORPORATION, Cynergy Software, LLC or a Third Party Owner retain ownership of the Licensed Software and the

copies of the Licensed Software provided herewith. The Licensed Software is licensed to Licensee for use subject to the terms set forth in this EULA. If professional services have been rendered on behalf of You, the customer, by U.S. Infotel or Cynergy Software personnel, or their third party resellers a refund is not available..

2. Grant of License. U.S. INFOTEL CORPORATION hereby grants to Licensee and Licensee fully accepts, upon delivery, a nonexclusive, nontransferable and perpetual (unless earlier terminated as provided below) right to use only the executable version (no source code) of the Licensed Software for its own internal business purposes. Installation of the Licensed Software entails completion of a serialization procedure in which we will be required to enter a serialization code(s) provided as a part of the Licensed Software. You agree not to disclose the serialization code(s) provided to any third party other than an authorized U.S. INFOTEL CORPORATION/CYNERGY SOFTWARE employee, agent, or reseller ("Reseller"). The serialization code indicates to the loaded Licensed Software the number of authorized named users covered by the license.

3. Scope of License. You are allowed only the number of named users of the Licensed Software as shown in the corresponding purchase order or other order confirmation form. The number of authorized users covered by the license will be visually displayed to You during the serialization procedure. A "Staff Level" user accessing the Licensed Software is considered to be utilizing one user license. Nothing in this paragraph shall limit Licensee from allowing its employees, agents or representatives or the employees, agents or representatives of Licensee's parent, subsidiaries or affiliates, if any, from accessing or using the Licensed Software for Licensee's own internal business purposes; provided, however that the total number of named users does not exceed the number of authorized named users covered by the license. Many of the modules such as Knowledge Center, Assets, Reports, and/or Opportunities may be licensed as modules or other named users. New additions to the software or new modules developed may also retain licensing rights.

4. Additional users. If You wish to expand the number of authorized named users covered by the license You may be able to purchase the additional licenses from U.S. INFOTEL CORPORATION or a Reseller. Such added licenses will be affected by the provision of additional serialization code(s) by U.S. INFOTEL CORPORATION.

5. Transfer. To the maximum extent permitted by applicable law, Licensee may not resell or otherwise transfer for value the Licensed Software. Notwithstanding the foregoing, Licensee may assign all of its licensed rights and duties under this EULA to a third-party that: (a) directly or indirectly controls Licensee; (b) is controlled by or under common control with Licensee; or (c) purchases all or substantially all of Licensee's assets; provided, however, that (i) Licensee gives written notice to U.S. INFOTEL CORPORATION of the transfer or assignment; (ii) the permitted third-party assignee agrees to be bound by all the terms herein and completes and returns a registration card or other requested transfer documentation to U.S. INFOTEL CORPORATION; and (iii) in no circumstance shall any transfer or assignment, unless specifically agreed upon in

writing, (y) release Licensee from any prior outstanding obligation under this EULA, or (z) allow Licensee or Licensee's transferee or assignee, collectively, to utilize more licenses than the number of licenses authorized under this EULA. If You transfer the Licensed Software, You must simultaneously transfer possession of all associated media and documentation, and remove all Licensed Software from Your computers. If transfer to another party takes place, the new owner will not be covered under our annual maintenance program and must pay the required support fees in order to receive support on Cynergy Software.

6. **Restrictions** You agree not to copy the Licensed Software except for backup and disaster recovery purposes, or as described in the documentation comprising the Licensed Software. If You make backup copies of the Licensed Software, the original copy of the Licensed Software and all backup copies that You make may not leave your control and are owned by U.S. INFOTEL CORPORATION or a Third Party Owner. You agree that this is a license only and that no title passes to You. You agree not to challenge U.S. INFOTEL CORPORATION'S rights in or otherwise attempt to assert any rights in the Licensed Software, except those provided under this EULA. 7. **Warranty/Remedy/Limitation of Liability.** TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, THE WARRANTY AND REMEDY SET FORTH BELOW ARE EXCLUSIVE AND IN LIEU OF ALL OTHER WARRANTIES AND REMEDIES, ORAL OR WRITTEN, EXPRESSED OR IMPLIED. Except as provided for in this EULA, no U.S. INFOTEL CORPORATION reseller, dealer, agent or employee is authorized to modify or add to the following warranties and remedies.

U.S. INFOTEL CORPORATION warrants that for a period of thirty (30) days following delivery of the Licensed Software (electronic download or otherwise) (i) the media on which the Licensed Software is furnished shall be free from defects in materials and workmanship under normal use; and (ii) the Licensed Software will perform substantially in accordance with U.S. INFOTEL CORPORATION'S user documentation available for the Licensed Software (offered or otherwise). U.S. INFOTEL CORPORATION does not warrant that the Licensed Software will meet Your specific or desired requirements or that the operation of the Licensed Software will be uninterrupted or error free or that all defects will be corrected. This Limited Warranty is void if failure of the Licensed Software has resulted from accident, abuse, modification, or

misapplication of the Licensed Software. The aforementioned warranty specifically excludes Third-Party Owners' proprietary preloaded content.

If You believe there is a defect in the Licensed Software such that it does not meet the Limited Warranty provided above, You must notify U.S. INFOTEL CORPORATION in writing within the 30-day warranty period. U.S. INFOTEL CORPORATION'S entire liability and Your exclusive remedy with regard to the Limited Warranty, shall be, at U.S. INFOTEL CORPORATION'S sole discretion, either repair or replacement of the Licensed Software. Any repaired or replacement Licensed Software shall be warranted for the remainder of the original 30 day warranty period. Refunds are not available for any reason after this 30 day period. We have a substantial amount of labor involved in the installation, setup, and training of your system, which is non-recoverable and not refundable.

To the maximum extent permitted by applicable law, except as provided above, U.S. INFOTEL CORPORATION MAKES NO WARRANTY OR REPRESENTATION, EITHER EXPRESSED OR IMPLIED WITH RESPECT TO THE LICENSED SOFTWARE, ITS QUALITY, PERFORMANCE, MERCHANTABILITY, OR FITNESS FOR A PARTICULAR PURPOSE OR THAT ANY PROPRIETARY PRELOADED CONTENT IS TIMELY, ACCURATE OR ERROR FREE.

UNLESS BOTH EXPRESSLY REPRESENTED AND AGREED IN WRITING, THE LICENSED SOFTWARE IS NOT DESIGNED, OR INTENDED FOR USE IN ANY MEDICAL, LIFE SAVING OR LIFE SUSTAINING SYSTEMS, TRANSPORTATION SYSTEMS, NUCLEAR SYSTEMS, OR FOR ANY OTHER MISSION CRITICAL APPLICATION IN WHICH THE FAILURE OF THE LICENSED SOFTWARE COULD CREATE A SITUATION WHERE SUBSTANTIAL PROPERTY DAMAGE OR PERSONAL INJURY OR DEATH MAY OCCUR. U.S. INFOTEL CORPORATION AND ANY THIRD-PARTY OWNERS RECOMMEND AGAINST, AND DISCLAIM ANY LIABILITY FOR, USE OF THE LICENSED SOFTWARE IN ANY SUCH APPLICATION.

You understand and acknowledge that U.S. INFOTEL CORPORATION will not be liable for network-related problems attributable to the operation of the Licensed Software and that network configuration changes may affect the system's performance.

To the maximum extent permitted by applicable law, and except for liability arising under paragraph 9 below, U.S. INFOTEL CORPORATION'S entire liability under this EULA shall be limited to 10% of the amount paid by You for the Licensed Software.

IN NO EVENT WILL U.S. INFOTEL CORPORATION BE LIABLE FOR INDIRECT, SPECIAL, INCIDENTAL OR CONSEQUENTIAL DAMAGES ARISING OUT OF THE USE OR INABILITY TO USE THE LICENSED SOFTWARE, even if advised of the possibility of such damages. In particular, and without limitation, U.S.

8. Indemnification. U.S. INFOTEL CORPORATION represents that it has the right to grant to Licensee the license to use the Licensed Software as set forth in this EULA without violating any rights of any third party and that there is no actual or threatened suit by any third party based on an alleged violation of such right by U.S. INFOTEL CORPORATION. U.S. INFOTEL CORPORATION will defend, indemnify and hold Licensee harmless from any third party claim that the Licensed Software infringes any copyright, trademark or trade secret owned or controlled by the third party; provided, however, that (i) U.S. INFOTEL CORPORATION shall be notified promptly in writing by Licensee of any such claim and allowed to right the wrong; (ii) U.S. INFOTEL CORPORATION shall have sole control of the defense of any action on such claim and all negotiations for its settlement or compromise; (iii) Licensee shall cooperate with U.S. INFOTEL CORPORATION, at U.S. INFOTEL CORPORATION'S expense, in a reasonable way to facilitate the settlement or defense of such claim; (iv) such claim does not arise from Licensee's modifications not authorized by U.S. INFOTEL CORPORATION; and (v) should the Licensed Software become, or in U.S. INFOTEL CORPORATION'S opinion likely to become, subject to such claim of infringement, then Licensee shall permit U.S. INFOTEL CORPORATION, at U.S. INFOTEL CORPORATION'S option and expense, either (a) to procure for Licensee the right to continue using the Licensed Software, or (b) to replace or modify the Licensed Software so that it becomes non-infringing and performs in a substantially similar manner to the original product.

This EULA will automatically terminate if You fail to comply with the material terms of this EULA. Upon any termination, You agree to remove all Licensed Software from Your computers, destroy all copies of the Licensed Software, and, upon request from U.S. INFOTEL CORPORATION, certify in writing Your compliance herewith. Since copies can be made or moved to other servers, Refunds are not available.

13. Severability. If any of the terms, or portions thereof, of this EULA are invalid or unenforceable under any applicable statute or rule of law, the court shall reform the contract to include an enforceable term as close to the intent of the original term as possible; all other terms shall remain unchanged.
